

LOO importance per label

Agranular insular area, posterior part

Anterior cingulate area, ventral part

Primary auditory area

Primary motor area

Primary somatosensory area, barrel field

Primary somatosensory area, lower limb

Primary somatosensory area, mouth

Primary somatosensory area, nose

Primary somatosensory area, upper limb

Primary visual area

Retrosplenial area, dorsal part

Retrosplenial area, lateral agranular part

Retrosplenial area, ventral part

Secondary motor area

Supplemental somatosensory area

Temporal association areas

Ventral auditory area

Visceral area
